

Video Visitation from Pay Tel Communications, Inc. keeps you connected with your incarcerated friends and family.

Open a Pay Tel account to get started [Click Here](#)

Download the Pay Tel Connect app to video visit right from your device.

You will schedule and manage your visits right from our user-friendly app.

There are three flexible ways to video visit with your incarcerated contact:

1. The person in jail can request an immediate visit by using our **Let's Visit Now** feature
2. On your personal device, scheduled at least one day in advance
3. On-site at the facility, scheduled at least one day in advance

inteleVISIT™ Video visitation allows you to choose times that suit your schedule, making it easier to stay in touch.
